

Introducing Virtual Field Trip Activities:

Explore & Discover the 5 Habitats of Don Edwards San Francisco Bay National Wildlife Refuge!

Interactive PowerPoint activities will be released Monday – Friday next week, May 4-8th, on the San Francisco Bay Wildlife Society's website:
<http://sfbws.com/>

The activities will highlight each habitat, wildlife in each habitat, and some fun facts! There are bird calls, and links to videos and websites with more information!

A worksheet will be provided that students can use to answer questions throughout each of the PowerPoint activities.

Monday: Salt Marsh
Tuesday: Salt Pond
Wednesday: Slough
Thursday: Mudflats
Friday: Upland

Questions? watershedwatchers@sfbws.com

These virtual activities are brought to you by the San Francisco Bay Wildlife Society's Watershed Watchers program, in partnership with Santa Clara Valley Urban Runoff Pollution Prevention Program!
